Bow Valley Music Club Ticket Options 2019-20

Dear Bow Valley Music Club friends, members, and supporters:

First, please accept our thanks for your support during the current 2018-19 season. Our tickets sales increased by 13% and 9 shows to date were complete sellouts. The additional revenue makes the job of booking great performers easier for next season. The Club is also pleased to announce the 2019-20 season –our 28th– which begins September 28, 2019, and once again features 10 wonderful nights of live music running to May 9, 2020.

RENEW OR BUY STARTING TODAY! In buying tickets to Bow Valley Music Club concerts you are doing more than taking advantage of a series of great nights out for a reasonable cost. You are also making an important personal contribution to the cultural health of our city and to the musicians who call it home. Buying seasons tickets additionally supports the Club's financial health, and tickets also make great gifts for family and friends should you need to miss a show!
